

How to locate your feeder:

-To find the name of your respective feeder, please download our app "KE Live" and click on the "Power" tab at the bottom.

- In case if you are unaware of your feeder details, you can also call on 118 and ask the customer care representative of KE to provide you with your respective feeder name/details.

- Kindly note that the below list of feeders are expected to have load shedding in line with National Power Policy as per the tentative schedule provided herein below.

-Your area may also face localized faults related to PMTs or feeders, for which KE teams are available 24/7.

Load-shed Schedule for KE territory

Loadshed is based on the proportion of losses on a feeder level, which are determined on the basis of theft of electricity and non-payment of bills. This is in line with the Government of Pakistan's National Power Policy and applicable across the country. KE conducts a periodic review wherein it evaluates the loss of each area and profiles it as high or low loss respectively. The schedule below is applicable from 11th June, 2025.

Time of the schedule below may slightly vary.
